## Gamba & Lombana attorneys named to 2009 Super Lawyers list

BY JOSE AGUAYO

Tomas Gamba and Hector Lombana, partners in the Gamba & Lombana law firm, have been named as Florida Super Lawyers, while partner Araly Herrera-Borgen and associate Marisol Gomez were named Rising Stars.

"We are very pleased and proud to be one of the few firms to have all of its attorneys named to this prestigious listing," said Gamba. "It is very satisfying for our hard work and achievements by Super Lawyers. Each of us looks forward to continuing to earn this distinction in the years to come."

In selecting attorneys for the 2009 listing, Super Lawyers Magazine used a rigorous, multiphase process.

Peer nominations and evaluations were combined with a blue-ribbon panel review and third-party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Selections are made on an annual, state-by-state basis. Less than five percent of Florida attorneys receive the distinction.

Gamba & Lombana is comprised of experienced trial lawyers who focus on litigation matters. Each of the firm's founding partners has more than 30 years of experience in trying and winning cases in South Florida courts in personal injury, medical malpractice, wrongful death and complex commercial law matters.
